Invermere Health Care Auxiliary Society
PO Box 571
Invermere BC V0A 1K0

Dear Friend of EKFH,

The East Kootenay Foundation for Health wishes to thank you for your gift to health care in the East Kootenay.

Your gift to the Invermere and District Hospital and to Foundry East Kootenay will help improve the level of healthcare for all residents of the East Kootenay. Donations help to ensure the best quality medical equipment is available along with patient comfort items. These items make it possible for physicians and nurses throughout the East Kootenay to offer the best medical treatment to all their patients. This would not be possible without the support of philanthropic community members like you!

It is because of your generosity that we can continue to improve healthcare for everyone in the East Kootenay.

Thank You!

Best Regards,

Brenna Baker
Executive Director

Thank you so much to all of your members for this wonderful donation to Invermere & District Hospital & to Foundry. I appreciate the amazing partnership that we have so much! Have a very Merry Christmas!
