

Thanks to the generous support given by the Invermere Health Care Auxiliary Society Scholarship, I am currently attending The University of British Columbia at their Okanagan Campus. Upon the completion of my Bachelor of Science degree, I hope to attend Medical School to pursue a career as a doctor. As this will be an ambitious and costly educational journey, the financial assistance provided by this scholarship is of great help in paying my educational expenses. I am grateful that this scholarship will allow me to concentrate more of my time on my community efforts and studies.

Once again, THANK YOU."
